During the Information Days, you can visit the information market in the hall of the Auditorium building all day. Here, you can find out about every aspect of studying in Eindhoven and at TU/e. Students and staff will be happy to show you their innovative projects. Meet the designers of the future!

**Majors**

All majors (the main part of your Bachelor’s program) are represented at the information market. Here, you can ask students and lecturers all your questions. On the back of this leaflet you can find the locations and time schedule of the general presentations of the majors in the Auditorium.

**In-depth program**

After the presentation of the major, you might choose to make your next stop the department that offers the major you are interested in. Here, you can learn more during the in-depth program in the department. After the General presentation major of your choice, guides will accompany you from the Auditorium building to the department.

**Studying at TU/e: information and application**

Ask all your questions here about studying, the Bachelor College, supervision during your study program, admission requirements and anything else that affects students, such as finance or studying with a disability.

**Student accommodation**

Meet several student accommodation agencies. Here, you can make some preliminary enquiries about registering, availability and other matters related to living in student housing.

**Student life & sports**

If you wonder what Eindhoven has to offer you as a student city, drop by one of Eindhoven’s many student and sports associations. Get inspired by our multidisciplinary and creative student projects at the Information market.

**Meet & Greet**

Meet and greet other international students. They tell you about studying at TU/e, student life and living in Eindhoven. Ask them anything you want to know! (12.45-13.15 hrs, Lecture room 5)

**Graduates @work (in Dutch)**

At 12.45 hrs you can take your seat (in Lecture room 4, Auditorium) for the ‘Forum on career prospects’ in which you will be introduced to a couple of TU/e graduates. They will tell you about their careers and introduce you to the diverse options that will be open to you once you have completed your study program.

**Guided tour to the Student Sports Center**

The Student Sports Center offers over 70 sports for students. If you registered for the tour, visit the stand of Student life. A guide will leave at 11.15 hrs and 14.15 hrs.

---

**TU/e Bachelor College**

Eindhoven University of Technology believes in the power of your dreams, because it is the start of every innovation. Choose the study program of your choice and realize your dream.
