

Symposium

Everyday Matters of Interaction Design

Blauwe Zaal, Auditorium, Eindhoven University of Technology
Friday, October 28, 2016

Preceding the inaugural lecture of prof. Ron Wakkary, you are cordially invited to attend a symposium entitled 'Everyday Matters of Interaction Design'.

Program

- 10.30-11.00** Reception with coffee/tea
- 11.00-11.10** **Welcome and Introduction**
Stephan Wensveen - *Eindhoven University of Technology*
- 11.10-11.30** **Soft wearables: designing products that are worn**
Oscar Tomico - *Eindhoven University of Technology*
- 11.30-11.50** **Slow Interaction Design**
William Odom - *Simon Fraser University*
- 11.50-12.10** **Redefining UX Design for HCI 3.0 Artifacts**
Youn-Kyung Lim - *Korea Advanced Institute of Science and Technology*
- 12.10-12.35** **Discussion with Oscar Tomico, William Odom, Youn-Kyung Lim**
Moderator: Stephan Wensveen - *Eindhoven University of Technology*
- 12.35-13.35** **Lunch**
- 13.35-13.55** **Design-in-living: Reciprocal shaping of artifacts, environments and people**
Audrey Desjardins - *University of Washington*
- 13.55-14.15** **Interactivity Clutter**
Erik Stolterman - *Indiana University Bloomington and Umeå University*
- 14.15-14.35** **Design beyond the human: on Interaction Design, Robotics, and Mediation Theory**
Peter-Paul Verbeek - *University of Twente*
- 14.35-15.00** **Discussion with Audrey Desjardins, Erik Stolterman, Peter-Paul Verbeek**
Moderator: Caroline Hummels - *Eindhoven University of Technology*
- 15.00-16.00** **Coffee/Tea Break**

Please turn over

Prior to the Symposium and Inaugural Speech a related panel session, **Things2Things – Cross Overs** sponsored by Design United will be held on October 26, 2016 at the **CLICK NL DRIVE Festival of Design Research and Innovation** clicknl.nl at the **Natlab in Eindhoven**.

Things2Things – Cross Overs

Program

- 13.30-13.35** **Welcome and Introduction**
Elisa Giaccardi - *Delft University of Technology*
- 13.35-13.40** **Objects with intent**
Marco Rozendaal - *Delft University of Technology*
TBD - *University of Twente*
- 13.40-13.50** **Material speculations**
Ron Wakkary - *Eindhoven University of Technology and Simon Fraser University*
- 13.50-14.00** **Im/material traces**
Holly Robbins - *Delft University of Technology*
David Derksen - *David Derksen Design*
- 14.10-14.20** **Predictive materialities**
Chris Speed - *University of Edinburgh*
- 14.20-14.25** **From Experimentation to innovation**
Elisa Giaccardi - *Delft University of Technology*

Registration

Attendance is free of charge, but registration is required. You may register by sending an e-mail to e.f.a.prinsen@tue.nl. Registration closes on October 13, 2016.
